GENERAL CONDITIONS AND RULES

1 All courses should be flagged on Sunday prior to the meeting and no later than the Wednesday before.

2 Horses/ponies must be checked in at the paddock no later than one hour prior to the post time listed on the overnight sheet of the first race in which they are entered or they will be scratched. This will be strictly enforced.

3 The Race Committees reserve the right to split, combine, change the order and times of races, add, or cancel any race. If races are combined, they will run at the higher weight of the combined races. In any division there will be no points awarded if there are less than two entries. Also, the combined races will run at the scheduled time of the latter of the combined races.

NOTE: For the convenience of all owners and trainers, changes to race meets will be listed on the overnights; however, it is the responsibility of all owners and trainers to make themselves aware of all changes in race meets. Any questions should be directed to the Central Office.

4 Current Coggins tests are required and must be available on race day.

5 No race conditions shall be changed without the approval of the stewards of the meeting.

6 Riders must wear either regular hunting attire or racing silks, unless noted otherwise. Protective vests, over-girths, and NSA-approved helmets with chinstraps are MANDATORY in ALL races, and light boots and tack are permitted.

7 All horses and riders are to be acceptable to the Race Committees, the Stewards, and the Delaware Valley Point-to-Point Association. Individual meetings reserve the right to refuse any entry.

8 Riders need not request permission from the Stewards to dismount following the race.

9 All ponies and riders must be approved by the Race Committee before race day. The ponies will be measured by the DVA Steward at their first start each year in pony races.
10. The Delaware Valley Point-to-Point Association, Race Committees, all officials, and the owners of the properties on which the races are held assume no responsibility for injury or loss incurred by either participants or spectators, and entries are accepted only under the conditions that the participants release them from any and all liability.

11. All owners, trainers, riders and spectators expressly agree to hold harmless the Delaware Valley Point-to-Point Association, each respective Committee, all officials, and all landowners for any injuries, accidents and mishaps that might occur prior, during, or following the races.

12. Worker’s Compensation or personal health insurance will be required of all riders. PROOF OF HEALTH OR WORKER’S COMPENSATION INSURANCE will be required before being allowed to ride. All riders must sign liability releases before starting in any race (if not signed at time of entry, the release must be signed at time of weighing out).

13. Stewards: Three stewards (the official DVA steward included) are to be present at each race meet. The official DVA steward will be the presiding steward at individual meets.

14. In any situation where the Delaware Valley Point-to-Point Association rules do not cover, the National Steeplechase Association rules may be used as a guideline by the stewards.

15. If races are canceled due to weather conditions, they will be canceled by 7:00 AM the morning of the race. Check the website at www.dvaptp.com or call the DVA office at 610-202-1771 for information on cancellations.

16. To be eligible for Championship, all horses are to have run in two race meets.

17. Any rider who falls will not be allowed to ride until he or she is examined and cleared by the official physician who will advise the presiding DVA Steward. The presiding DVA Steward is responsible for granting, or denying, permission to ride after a rider has fallen.

18. In the event that a Foxhunter Race is carded and does not fill, the Foxhunter entries will be allowed to go in other races at those weights without losing their eligibility for Foxhunters Races.

19. Any errors, omissions or changes in the Condition Book will be made available on the web site at www.dvaptp.com and on the overnights.
